

# 30<sup>th</sup> INTERNATIONAL CONFERENCE ON DISCRETE SIMULATION OF FLUID DYNAMICS

Dear Colleague,

We cordially invite You to participate in the

## 30th International Conference on Discrete Simulation of Fluid Dynamics (DSFD2021)

which will be organized **online**, due to the COVID pandemic, by the **University of  
Tuscia, Viterbo (Italy)** on

**13th-17th September 2021.**

The Conference will cover topics ranging from Fundamental Sciences to Applied Engineering implementations.

In particular, the recent advances in the **Lattice Boltzmann Method, Dissipative Particle Dynamics, Smoothed-Particle Hydrodynamics, Molecular Dynamics, Direct Simulation Monte Carlo, Relativistic Hydrodynamics, Multiparticle Collision Dynamics, and Hybrid Methods** will be presented.

Please, find all the details regarding the conference on the website  
<http://www.dsfd.org/>.

Abstract submission is **now open, until April 30<sup>th</sup> 2021**. You can also follow the updates on the conference on Twitter **@DSFD\_Conference**.

The **Conference Proceedings** will be published in dedicated Special Issues of peer-reviews Journals

### Important dates

<b>Abstract submission:</b>	27th February to 30th April 2021
<b>Abstract review decision:</b>	31st May 2021
<b>Registration deadline:</b>	31st August 2021
<b>Proceedings:</b>	March 2022
