BRIEF PRESENTATION OF MYSELF

I am a Ph.D. student in administrative Law and a trainee lawyer. I am very happy with my work; I believe that Law is a fundamental tool to achieve the great challenges of our time. I enjoy studying, working in teams, and challenging myself. I am resourceful and professional; I believe I know my limits and my strengths.

PERSONAL GOALS

In the short term, I am happy to continue to find gratification in my current work and be engaged in exciting projects while improving my competencies and skills. In the long term, I would like my future jobs/projects to positively impact society. I hope to become a university professor.
