

## BRIEF CURRICULUM VITAE AND SCIENTIFIC PROFILE

**Surname:** CORONA

**Name:** PIERMARIA

**Nationality:** Italian

**E-mail:** piermaria.corona@unitus.it

**Cell.:** +39-320-4304138

**ORCID:** 0000-0002-8105-0792

### Current position:

- Full Professor at the University of Tuscia, Viterbo, Italy (on secondment at CREA)
- Director of Department for the Innovation in the Biological, Agri-Food and Forest Systems of the University of Tuscia (Viterbo, Italy), from January 2026.

### Academic appointments

- Director of the Research Centre for Forestry and Wood of the Consiglio per la ricerca in agricoltura e l'analisi dell'economia agraria (Council for Agricultural Research and Economics, CREA), , from June 2017 to August 2020 and from January 2022 to December 2025.
- Director of the Forestry Research Centre (Arezzo, Italy) of the Council for Agricultural Research and Economics, from February 2013 to January 2017.
- Director of Department for the Innovation in the Biological, Agri-Food and Forest Systems of the University of Tuscia (Viterbo, Italy), from June 2011 to February 2013.
- Director of the Department of Forest Environment and Resources of the University of Tuscia (Viterbo, Italy), from 2009 to May 2011.
- Dean of the School of Landscape and Environmental Planning and Design of the University of Tuscia and Sapienza University, Rome (Italy), from 2021.
- Dean of the School of Forest and Environmental Sciences at the Faculty of Agriculture of the University of Tuscia (Viterbo, Italy), from 2002 to 2009.

### Scientific activity

Scientific activity is primarily focused on in-depth investigation of issues related to emerging trends, as well as innovative methods and tools concerning the monitoring, planning, and management of forest resources.

#### *Publications*

Scientific output is documented by more than 230 articles in journals indexed in Scopus and/or WoS, 30 monographs as author, and 14 edited volumes:

- Scopus database: H-index = 49
- Google Scholar database: H-index = 61
- Included in Elsevier's 2025 list of the world's most influential researchers from a bibliometric perspective (Top 2%), subfield: Forestry. DOI: 10.17632/btchxktyw.8

#### *Research projects*

Head of operational units in several international research projects (7th Framework Programme, ERANET, etc.); National Coordinator of a PRIN Project (MIUR); Coordinator or Head of operational units of numerous research projects and agreements at the national level (mainly competitive calls from the Ministry of Universities, Ministry of Agriculture, Ministry of the Environment, and local authorities).

*Editorial Roles and Editorial Boards of Scientific Journals Indexed in Scopus and/or WoS*

- Editor-in-Chief of Annals of Silvicultural Research (since 2016)
- Executive Editor of iForest – Biogeosciences and Forestry (since 2018)
- Member of the Editorial Board of Mathematical and Computational Forestry & Natural-Resource Sciences (since 2013)

*Positions of responsibility within Academies/Scientific Societies*

- Vice President of the Italian Academy of Forest Sciences (since 2020)
- President of the Italian Society of Silviculture and Forest Ecology (2012–2015)
- Vice President of the Italian Association of Agricultural Scientific Societies (2013–2015)

*Technology transfer*

- Founding partner and member of the Board of Directors of the university spin-off Biofor Italy s.r.l. (co-owned by the University of Tuscia), from 2007 to 2013
- Partner of the university spin-off Centro Studi Italiano di Geomatica s.r.l. (co-owned by the University of Molise), from 2011 to 2017

**Other**

- Full Member of the Accademia dei Georgofili (since 2025)
- Full Member of the National Academy of Agriculture (since 2025)
