2nd OCTOBER 2026 | h. 10.30 - 13.00 (UTC +2) | In presence & online

UNIVERSITY OF TUSCIA & INTERNATIONAL TALENTS

Nurturing Circular Economy Leaders of Tomorrow

Held on the occasion of the **opening of the Circular Economy Master's degree course,** this **WCEF2026 Studio** brings together the international community of the University of Tuscia. International students, PhD and former students pitch real-world challenges and circular opportunities for their home countries and share their experience, suggesting how the circular economy skills built at the University of Tuscia can become assets for their countries and for the global circular transition.

INSTITUTIONAL GREETINGS

Prof. Stefano Rossi, Full Professor of Mechanical and Thermal Measurements, Dean of the Department of Economics, Engineering, Society and Business Organization – DEIM, University of Tuscia

SPEAKERS

Prof. Enrico Maria Mosconi, Full Professor of Technology of Production, Chairman of the Master's degree in Circular Economy at UNITUS, and AICQ National Spokeperson.
Prof. Angelo Salsi, Professor of Environmental Law and Former Head of Department at CINEA - European Commission.
Dr. Ciro Maddaloni, Expert of Environmental Law and Former Project Officer of the European Commission
International Students, PhD and Former Students Experience – University of Tuscia.
